Vacation Bible School Opens

The Antioch Evangelical Free Church will hold a Vacation Bible School at Emmons School June 12-16. According to the pastor, Carroll D. Lindman, there will be classes for children from 3 years old through junior high ages.

The theme this year is "Living by God's Time." From the starting moment, through the worship periods, memory verses, flannel-graph stories, Bible lessons, and fascinating handcraft, the children will be made conscious of the value of the use of time. As an interesting side-light, they will learn many methods that men have used to count time through the centuries.

The Bible school is open to all children in the greater Antioch area. Parents desiring transportation for their children are requested to contact the Rev. Lindman at Antioch 2356.

NEW OFFICERS of the Antioch Art Guild are deep in plans for the Art Fair and Exhibit to be held as part of the Antioch Civil War Centennial, June 23-25. Shown in a recent session planning the event are (seated left to right) Virginia Cornelius, Laverne Kris, Ruth Bemis, and Ellen McDowell, president. Standing are Rosalie Lyons, vice president, and George Grunow. Other officers are Grace Strohen, secretary, and Claire Gilday, treasurer.

Artists Throughout County To Exhibit at Centennial

Artists throughout Lake County will participate in the art exhibit being staged by the Antioch Art Guild as part of the Civil War Centennial here June 23-25.

Exhibit plans were announced this week by Ellen McDowell, Guild president.

The exhibit will open Saturday afternoon, June 24, at the high school, and will run concurrently with other Centennial activities.

Local and county artists must send in entries by June 17. They should be sent to Ellen McDowell, 285 Ida Ave., Antioch, by the deadline date.

Judging the exhibit will be Warren Zander, well-known Lake County artist and teacher. Ribbon awards will be given for both Centennial and contemporary entries, it was announced.

Meanwhile, Centennial operations moved along at a fast pace. Howard Shepard, business manager of The Antioch News and head of the publications committee, announced closing of space for the souvenir book which will be available to the public when printed.

The book, a project of the Lions Club, will be 120 pages, with hard cover. The book will contain stories of Antioch relating to the Civil War period, historical anecdotes, and pictures of landmarks and pioneers.

The publication is being financed by advertising revenue. Some 3,000 copies will be sold as a permanent record of the Centennial.

A revised issue will serve as a guide and fact book concerning modern Antioch and will be used by the Chamber of Commerce to promote the Village. Some 2,000 copies of this issue will be printed.

Interest in all phases of Centennial activities is mounting.

Blackman Act Stuns Board; Delay Sought

John M. Blackman, village trustee, submitted his resignation to the Village Board this week.

Blackman's action, a surprise to fellow officials, was announced at the monthly board meeting Tuesday night in the Village Hall.

Blackman cited the press of business as the basis for his action. He is a concrete contractor.

Village President Murrill Cunningham and fellow officials, surprised by Blackman's action, voted to table the matter for 30 days and indicated their desire to have him reconsider.

Blackman was returned to office in Village elections April 18 for his third term. He is a member of the Street and Lighting, Public Building and Salaries committees.

A life-long resident of the area, Blackman has been in business here for 20 years. He was in partnership with his father-in-law, Arthur Laursen, concrete contractor, for 10 years. In 1960 he formed a corporation of his business and has been sole operator since that time.

He is active in Boy Scouts, helped organize the Little League, a member of the Moose, a veteran of WW II, and past master of the Masonic Lodge.

Blackman's resignation upset plans by President Cunningham to announce appointments to administer affairs through the next four years. Appointments will be held over until next month.

In other action, the board approved a petition by William Lee to operate a pool-hall on the second floor of the Borovicka Building, 901 North Main St., pending compliance with local codes and certain conditions of safety. Lee operates another pool hall at Winthrop Harbor.

A committee formed last month to investigate Lee's petition for opening of the establishment, recommended business hours of 9 a.m.-9 p.m. daily, and 12:30 p.m.-9 p.m. Sundays. Lee had originally asked for a later closing date.

The board also voted a package beer license to the Jewel Tea store and will amend local ordinances covering the matter.

The Fire Department requested permission to send two firemen to the State Fire College at Champaign later this month. The request was approved.

Driver Faces Three Charges

Raymond J. Edwards, 21, rural Antioch, faces charges of leaving the scene of an accident, reckless driving and failure to render first aid.

According to deputies, Hanke's car was sideswiped by a car going west. The car left the scene, turned around and came back past his auto and continued to East Loon Lake Subd., where deputies found Edwards.

In other action on the highways, deputies apprehended Steve P. Mack, 17, Melrose Park, and charged him with reckless driving Sunday after his car knocked over a post and mailboxes on Heart O' Lakes Blvd., near Grass Lake Road. Mack was apprehended after his car had been curbed by Ray Teml, owner of one of the damaged mail boxes.

The Legislature and The Jelly Bean

All is not lost.

In these perilous times of space stations, the fateful duel between the free world and communism, freedom riders and the multitude of problems which beset this troubled old world, state legislators have turned their attention to an immediate concern.

After due study and deliberation, the General Assembly has agreed that the jelly bean — that morsel of stomach-tickling goodness, that tempting bit of sweet colored and flavored to suit the most discriminating eye and palate must — "zounds" — be individually wrapped.

So be of good cheer.

When the duly elected representatives of this great commonwealth can turn aside from the cares of the world long enough to pursue the jelly bean, there is still hope.

Sen. Robert McClory, appearing elsewhere on this page, tells all about the legislature and the jelly beans.

Youth on the Move

This past week was a period of high events and high jinks for most students — graders through high schoolers.

For regular students, it heralded the start of the glorious days of summer vacation with just plain loafing in store, or lots of swimming and camping, or to the more ambitious, a summer job to keep the pockets afloat.

To the graduate it was different.

There is no more important day to the youngster than graduation from eighth grade.

This places the youngster on the threshold of new status and new respect. It is graduation from "kid" to young man and young woman. It means the first high heels for the loveliest, the assumption of high school status for the lad and the added responsibilities and privileges thereto.

The high school graduate faces the more serious task. For most it is the end of the road in formal book learning, and it's the will to step forth and conquer.

The bold outward appearance covers fleeting pangs of insecurity and doubt which, in the vast majority of cases, are soon defeated by the confidence and enthusiasm of youth.

These are the youngsters who are out to make the mark. They've graduated from grass-cutting and errand-running. They're men and women now, eager to enter harness and share the load. They no longer need sit below the salt.

By now the college graduate has made his decision and he's ready to grab this old world by the tail and stuff it in his pocket. He knows what he wants and he's on his way.

Yes, these are exciting, challenging and changing times for youth.

We wish them all well.

Another Billy Mitchell?

Some five-six years back when the Secretary of Defense Charles Wilson was emasculating the military, a "renegade" Army officer, one John Nickerson, was put into virtual limbo for protesting the proposed sacking of the Redstone missile project by Wilson.

Col. Nickerson was relieved of his command and assigned to vegetate in a Panama base section, forbidden to command troops for you see, Charlie Wilson, GM's gift to Washington, and long on industrial know-how when it came to automobiles, was not going to have any young upstart tell him how to run the military.

"Redstone is a balo — anyone who dreams of flying to the moon is a dodo. Redstone is a fluke and we're going to drop it". So figured Charlie.

But Col. Nickerson, one of the military's top rocket men, had faith in Werner Von Braun and his scientific crews who developed Redstone and figured it to be the most efficient and dependable in the US rocket stable.

He refused to quiet down and cried loud and long against Wilson's proposed sacking of the project.

For this he was guillotined.

But his cries in the wilderness must not have gone entirely unheeded.

Redstone was not sacked.

Last month Alan Shepard was shot into space in his historic flight from Cape Canaveral.

Guess what rocket powered the space capsule occupied by Cmdr. Shepard — none other than that old dependable Redstone that Charlie, in his heady position as Secretary of Defense, tried so hard to bury a few years back.

Cmdr. Shepard has received the Distinguished Service Medal, the adulation of millions and a slice of \$500,000 to sell his story to a popular magazine.

Whatever became of Col. Nickerson?

The Other Side of the Coin

Whatever problems our public schools face have been somewhat exaggerated by supporters of federal aid to education.

Some information produced by a policy committee of which Senator Styles Bridges is chairman does much to clarify the picture.

It deals with how the schools fared in the eight-year period between the school years 1952-53 and 1960-61.

Here are a few of the facts it records:

The number of pupils increased 35 percent whereas the instructional staff increased 45 percent, and the number of children per teacher declined from 26.2 to 24.4.

The average teacher's salary increased 52 percent, as against the average increase of 30 percent in per capita personal income as a whole and of 34 percent in industrial wages.

Whereas the addition of 9.7 million children of the school populations required an additional 347,000 classrooms at the rate of 28 children per classroom, about half again as many — 507,500 — were actually constructed.

Quoting the report directly, these eight years "witnessed tremendous progress in improving school support, building new classrooms, hiring new teachers, raising teachers' salaries . . . This is a proud record of achievement, indeed."

If facts mean anything, these mean that more federal encroachment on education with the bureaucratic controls that inevitably follow, is unneeded, unjustified and dangerous.

Your State Senator Reports

By State Senator Robert McClory
The jelly bean bill should not be passed by the Illinois General Assembly. One may ask, "But what is the jelly bean bill?" The jelly bean bill is known as Senate Bill No. 326 and would require each piece of candy (including each jelly bean) to be individually wrapped. If the bill should become law, a violator would be subject to a fine of not less than \$50, nor more than \$500 for each offense.

The manufacturers and retailers of jelly beans are justifiably concerned. Indeed, they aver that it is not economically possible to wrap each and every jelly bean. The measure, if enacted, would undoubtedly bring the demise of the jelly bean in Illinois. On the other hand, it is doubtful that children would be willing to forego their periodic binge of jelly beans, and we might expect these trademarks of young children to be bootlegged in Illinois — or smuggled across the state line from Wisconsin, where there is no pending restrictions on the jelly bean trade.

The confectioners' opposition to the wrapping of individual jelly beans is logical. For one thing, jelly beans are small and difficult to wrap. They are colorful, and unless wrapped in cellophane, the attraction of their many colors would be lost. Jelly beans are customarily sold by the bag, or in bulk by the ounce. They are purchased by the handful, consumed by the

mouthful and stored in small boys' pockets, pencil boxes, under pillows, in school desks, and in nests prepared by Easter bunnies.

Children don't want to pay for wrappers on jelly beans, and they don't want to miss the sensation of sticky fingers that come from unwrapped jelly beans.

The National Confectioners' Association has come out strongly against Senate Bill No. 326. This organization has informed the members of the legislature that Illinois is the largest candy producing state in the nation, and that none of the other 50 states requires jelly beans to be wrapped, as the sponsors, Senator William Lyons and William Grindle, propose in Senate Bill No. 326.

No question of public health appears to be involved. Indeed, if children should omit to remove the wrappers, more tummy aches might result from eating jelly beans with wrappers, than from the added quantity of jelly beans which a penny's worth might purchase.

Members of the General Assembly must rally to the defense of our small children and save the jelly bean (unwrapped) for this generation, and the generations of youngsters yet to come. The jelly bean is as much an American institution as chewing gum and hamburgers. But the jelly bean is threatened by Senate Bill No. 326. The bill should not pass.

Sing a Song of Taxes

Hard on the heels of personal property, real property and income taxes — notwithstanding the proposed 4 percent-plus sales tax, it might be in order to dig a bit more deeply into some of the more common taxes, buried from sight, but still there, nevertheless.

The Taxpayers' Federation of Illinois has echoed the humorous

1986). If he works hard for the rest of his life he will be able to provide the government with a handsome slice of inheritance tax. And if he dies in a state that is fiscally tolerant, he can take comfort in the thought that his casket — provided it costs less than \$100 — will be exempt from any sales tax.

"Nough said!"

Announce Mobile X-Ray Schedule

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

At this point in the legislative session in Springfield the word "compromise" is heard frequently — and its use is not always in the public interest.

When is compromise right? When is compromise wrong?

These two questions plague the sincere legislator, particularly during these final weeks of the legislative session, when action comes quickly, and compromises are made in minutes.

Much compromise is good. If a legislator has a bill for his district, when the measure is considered by the committee it may be pointed out that in another part of the state, the bill has a totally different effect. A compromise is then worked out, so that part of the state is not hurt.

That is the first kind of a compromise — one to "knock the corners off" of a bill.

The second kind of a compromise is getting "half of a loaf instead of a whole loaf."

This happens not only in Springfield, but in a city council or Congress. If your mayor wants to pave two streets and proposes it to his city council, he may end up with a compromise, paving one street, rather than two.

This kind of compromise can also be good, resulting in a more gradual, sensible approach to a program.

A third kind of compromise is

one which involves a compromise of basic beliefs, a compromise which says, "I will vote for your bad bill, if you will vote for mine."

In this kind of compromise, the public always loses.

It is a tragic reality that this type of compromise becomes increasingly frequent as the session nears adjournment. Those who lose out in this type of legislation are largely voiceless, people who may not even know the legislature is in session.

A good illustration is the sales tax increase. If the proposed measure passes, Illinois will have the highest sales tax in the nation. We will also have the worst tax structure in the nation — a system where the lower your income, the higher the percentage of your income which will go for taxation.

But the people who are hit hardest by this type of tax do not have powerful lobbyists in Springfield.

The result — probably the sales tax increases will be passed, the proposed corporation tax reduced, the increased tax on race tracks defeated, the cigar tax defeated.

Every tax study shows that we should not be taxing in this way, but the special interests are working hard, party pressures are increasing.

The end result looks like a compromise where every one wins but the people, the tragic kind of compromise.

Cancer Society in Follow-Up Survey

More than 200 American Cancer Society volunteers throughout the state will participate in a follow-up survey of the first two weeks in June to determine the effectiveness of the film showing "Time and Two Women."

This film of the Society, which has been shown to thousands of women throughout Illinois, aims to help eliminate uterine cancer, the second leading cause of cancer deaths in women. The film stresses the importance of the "Pap" or Uterine-Cytology Test as part of the checkup. This simple office procedure detects cancer in its earliest curable stage.

According to announcement by Charles A. Wilcox, chairman of the Lake County Chapter, those participating in the Lake County Chapter include Mrs. G. E. Hatchmann of Libertyville and Mrs. Ralph C. Archer of Mundelein. Mrs. Matchmann and Mrs. Archer are chairman and co-chairman of the County Education Committee. The survey

seeks to determine the number of viewers who have had physical examinations, including the "Pap" test, as a result of seeing the film, shown locally to 1000 women since 1958. 38 women in Lake County will be interviewed.

Results of the survey will be used in promoting the work of the public education department to reach people with live-saving information. The study is being partially supported by funds under the Public Health Service Community Cancer Demonstration Project grants.

The American Cancer Society is conducting its 1961 Crusade for a state goal of \$1,760,000.

THE FLAMELESS ELECTRIC KITCHEN

WHEN YOU MODERNIZE YOUR KITCHEN, REMEMBER...

A flameless electric kitchen won't go out of date

The lady above demonstrates the amazing flexibility of a flameless electric kitchen. Because there are no fuel pipes to get in the way, she can have her automatic electric dryer wherever she wants it. There are no vents to install, no pilot to burn. So the entire laundry unit can fit into a small area behind attractive sliding doors.

Of course, the electric range is the heart of every flameless electric kitchen. With it, you can cook your meals without overheating

your kitchen (or yourself). The oven is insulated on all six sides, not just five. Hardly any heat escapes. The surface units transfer heat directly into pans and into foods—not into your kitchen.

And because electric ranges burn no fuel, no dirt is created. Your kitchen (and everything in it) stays clean twice as long.

Before you spend a penny on kitchen remodeling, get a professionally-prepared plan based on your specific needs and budget. An

experienced kitchen specialist can show you how imaginative planning can save you steps and eliminate unnecessary bending and reaching. He can also help you work out color schemes and lighting effects and help solve storage problems.

For the names and addresses of kitchen modernization specialists in your area, call your nearest Public Service Company office.

LINDENHURST — Gene (Bud) Barnes is the new president of the Lindenhurst Sportsmen's Club. Gene Baker is vice president, Bob Meier, secretary, and John Schultz, treasurer.

The group held its annual bowling tournament recently at the Antioch Bowl and followed up with a party at the Sail Inn.

Mr. and Mrs. Frank Mindak, of 105 North Hawthorne Dr., celebrated their 13th wedding anniversary Memorial Day. Their neighbors, Mr. and Mrs. Milton Lazansky, joined them. The Mindaks have

four children, Amy, Dawn, David and Dale.

A son, Kevin John, was born to Mr. and Mrs. John Kasperski on May 23, at St. Therese Hospital. The Kasperskis have two daughters, Mary Lynn, 2, and Betty Jean, 1. Grandparents are Mr. and Mrs. Stanley Zlotnik and Mr. and Mrs. John Kasperski, Sr.

Mr. and Mrs. Richard (Annette) Galla, of 617 South Deerpath Dr., are the parents of their first daughter, Constance Michele, born Sunday, May 28, at 7:27 a.m. at St. Therese Hospital. The Gallas have a son, Ricky, 15 months. Mr. and Mrs. Joseph Tanek are the maternal grandparents, paternal grandparents are Mr. and Mrs. Mitchell Galla.

The "Night Owls" played canasta at Mrs. Betty Janega's home on Hickory Court Friday evening, May 26. Ing Spiegler won a glass baking dish, Dolores Povillaitis a salad bowl set, and Pat Vrba a nobbly milk glass bowl. Others playing were Pat Schartz, Ellen Harsh, Bert Harceg, Mel Uebels, Helen Mindak and Georgia Sutherland.

Plans were made for the group's annual summer outing, July 23, when they will see "Pleasure of His Company" with Joan Bennett and Donald Cook, at the Drury Lane Theatre.

Warren Scott Smith, son of Mr. and Mrs. Robert Smith of 1905 East Pinecrest Lane, was baptized Sunday morning at the Lake Villa Community Methodist Church by Dr. Berger Dahl, district superintendent. Dorothy's sister, Eleanor, and her husband Chester Sawyer of Chicago, were the sponsors.

The gathering also served a belated birthday party for their daughter, Wendy. Guests were Miss Lillian Davis, Mr. and Mrs. Russell Carlson, Mr. and Mrs. Norman Vandenberg, Mr. and Mrs. John Miller, Mr. and Mrs. Walter Roos, Mr. and Mrs. Frank Davis, Mr. and Mrs. Kay Reamer, Mr. and Mrs. Warren Brown, Mr. and Mrs. Martin Bergmark and Mr. and Mrs. Joe Botts.

The Smiths also have a son, Steven.

The Holy Name Society of the Prince of Peace Church in Lake Villa will receive Holy Communion at the 8 o'clock Mass next Sunday. There will be a breakfast and meeting following the Mass.

Mr. and Mrs. Ed Bernau of 104 North Whiteoak Dr., attended the Tri-County Pistol and Revolver League Dinner and Awards Presentation May 27 at the Marcin Ballroom in Chicago.

Mr. and Mrs. Art (Donna) Neubauer, of 608 Deerpath Dr., are the parents of a daughter, Colette, born May 29 at St. Therese Hospital. She weighed in at 7 pounds 1 ounce.

The party also was a belated birthday party for Mrs. Ann Ziaja, whose birthday was May 27. Others present were Mesdames Marion Litman, Nancy Tiedman, John Bourque and Lee Fields.

Tony Romano of 2402 Sunset Lane cut his shin bone May 27, while mowing his lawn. The blade of the mower broke and flew up, cutting his leg. The wound required three stitches.

Jerry Dusek, of 2409 Sunset Lane has blood poison in his right leg.

Jerry Dusek, Jr., 10, was awarded a set of Encyclopedia Britannica Jr. from the Chicago-American for submitting the question, "Why is water tasteless?" To find out "why" read the Chicago-American June 24. The books were delivered Friday. Jerry is a fifth grade student at Lake Villa School.

Charles Hertel, of 2404 S. E. Thornwood Dr., is home from the hospital recuperating from a ruptured appendix operation. He entered St. Therese Hospital May 25,

and returned home last Wednesday. He is a freshman at Antioch High School.

The Lindenhurst Women's Club will meet Thursday evening at 8 p.m. at the B. J. Hooper school on Sand Lake Road. All the ladies in the village are invited to attend. This is the best way to get acquainted with your neighbors. Any woman may now join as it is not necessary for the husband to be a member of the Lindenhurst Men's Club.

Congratulations to Mr. and Mrs. Gene (Marolyn) Biaggi of 2410 S. E. Thornwood Dr. The birth of Michael Dean on May 26 gave them their fourth son. Dr. Lutz delivered the infant at Lake Forest Hospital, where he weighed in at 8 pounds 6½ ounces.

The climate couldn't be better
for buying a new

JET-SMOOTH CHEVROLET

(and that's the car more people are buying!)

Take those June skies and breezes. Add a spankin' new Jet-smooth Chevy. Presto, you've got all the makings of a roamin' holiday. That low-loading deep-well trunk swallows up most everything you'd want to pack along. The carefully crafted Body by Fisher has you livin' in luxury (and in comfort-high seats where the sight-seein' comes easy). That Jet-smooth Chevy ride, with a sinewy Full Coil

spring at each wheel, gentles you past all the wrinkles and ruts in the roads (there's even a team of over 700 behind-the-scenes "shock absorbers" to hush up road surface mumbblings and grumbblings). All in all, Chevy's light-steerin', easy-goin' ways just don't leave much for you to do but feel good. And that's exactly the way your Chevrolet dealer wants you to feel — as you can plainly see in those beautiful June buys he's got bustin' out all over.

Air conditioning — an extra-cost option that gives you fingertip temperature control. Try it.

Impala Convertible — just as saucy as you please and wide open for fun.

Channel Lake News

By Mrs. Pearl Kapell
CHANNEL LAKE—Ed Baumann of Lake Ave., accompanied by Larry Holland and his son, flew into the wilds of Canada, Friday, for a long weekend of fishing on the Manitou River.

Brownie Troop 177 will meet from 10 a.m. to 12 noon on Wednesday mornings at the home of Lois Ward, Brownie leader. There will be no meetings during July.

Mr. and Mrs. Lewis Rogers, ac-

companied by their granddaughters, Joelyn and Cathy Eckert, are spending a week vacationing in northern Wisconsin.

Mr. and Mrs. Elmer Sosinski and three children of Berlin, Wis., visited at the Harry Dowell home Sunday and Monday.

Mr. and Mrs. John Eckert celebrated their 13th wedding anniversary on Monday. Mr. Eckert recently returned to work at American Motors in Kenosha after a severe illness. Dolores and John were married in Chicago, in the same church in which they had been baptized as babies. Their two oldest children were baptized in this same church.

Although raised in the same neighborhood, Dolores and John hadn't met until Dolores, 17, fell at a roller-skating rink and John tripped over her and fell, too. Pretty sneaky way to get a husband.

Now, 13 years later, they live at Channel Lake, and have four children and a fifth pending.

22 Get Diplomas At Channel Lake

By Mrs. Pearl Kapell

CHANNEL LAKE — Graduation exercises for the 22 members of the Class of 1961, Channel Lake school, were held last Thursday at the school.

Graduating were: Marjorie Bartley, Henry Burger, Mary Caldwell, Mary Dahlman, Dean Dowell, Elizabeth Gogerty, Dennis Heimbrodt, Norma Heimbrodt, Ronald Holstrom, Jesse Inman, Carolyn Lasco,

Linda Loeper, Gregory McEain, Edsel McNutt, John Patterson, Michael Peters, Louis Portalski, Karen Rogers, Victor Rogers, Linda Turner, Theodore Wozniak and Sharon Zerr.

The stage was decorated in red and white, class colors, for the occasion, and banked with spring flowers gathered from neighbors by members of the seventh grade.

The class will was read by Marjorie Bartley, and the class prophecy by Victor Rogers.

Honor students were Mary Dahlman, Jesse Inman, Sharon Zerr, Marjorie Bartley, Carolyn Lasco,

Mike Peters, Greg McEain and Victor Rogers.

Awards for perfect attendance went to Linda Loeper, Marge Bartley and Mike Peters. The American Legion Award for outstanding boy and girl went to Jesse Inman and Carolyn Lasco.

Diplomas were presented to the graduates by Howard Scott, seventh grade teacher. The address to the graduates was by Mr. Eggleston, and the Invocation and Benediction by Mr. Cosgrove. Music for the processional and recessional were played by Grace Amendola.

Gratitude was expressed by many

of the parents of graduates to Randall McConahay, principal of the school and teacher of the eighth grade, for organizing a memorable occasion for the young graduates. McConahay presented each graduate with a small "annual" containing highlights of their last year in school and their graduation exercises.

The annual closed with a message from Mr. Mac to his students:

"To you I write this letter as you stand on the threshold of your future. May all that you desire in life become yours."

"Never forsake education and knowledge for it is one thing no

man can take from you once it is yours to know.

"May I apologize for the mistakes I have made this year and may the times I've misunderstood serve as an example to you when you begin to work with other people. You have given me more disappointment and sadness, and more enjoyment and happiness, than I can express here in this letter, so I say to you: Never look back and ponder over what might have been, but look to the future and to God for your blessings."

"Congratulations and God Bless You."

Mr. Mac."

Thank You

The members of the V.F.W. Post and Auxiliary wish to thank all who remembered and wore a Buddy Poppy sold on the streets of Antioch May 20. The proceeds from the Poppy Sales enables the members to send more canteen books to the Veterans Hospital as well as contribute to the home for children of veterans in Eaton Rapids, Mich.

Our other projects include Child Welfare and the Cancer program and an additional hospital pledge which is increased each year.

Thanks again for your help in making this possible.

Yankees and Orioles Lead in Lakeland Little League

SILVER LAKE, Wis.—Thursday evening games in the Lakeland Little League were rained out but all games were played on Friday with three teams remaining tied for first place with 3 wins and 1 loss. They are the White Sox, Yankees, and Orioles, all of whom were winners on Friday.

In a game at the Fox River County Park the Orioles won over the Pirates by a score of 7-5. The Orioles scored 5 runs in the first and the Pirates had trouble the rest of the way. Rick Sarbacher had two hits for the Orioles, including a double. Lynn Rittmer was the winning pitcher. Mike Wagner had three hits for the Pirates while Tommy Thompson had two hits.

At New Munster the White Sox shut out the Braves by a score of 8-0 as Steve Miller pitched a 2-hitter and struck out nine batters. Ron Halbach, Gerald Tindall, and Larry Richter each had two hits to pace the White Sox at the plate.

The Yankees walloped the Cubs 12-2 at Silver Lake. Jim Williams had 3 hits in 3 attempts for the Yankees and Allie Luke continued his heavy hitting by walloping for a long home run, his third in four games. John Erickson had two doubles and Mike Vanderzee had a triple and single to aid the Yankee cause. Vanderzee was the winning pitcher.

In a game played at Twin Lakes early last week, Mike Vanderzee of the Yankees pitched a 3-hit shut-out for the Yankees as they beat the White Sox by a score of 3-0. He allowed 3 singles and struck out 13. Guy Flaschner of the White Sox had two singles to lead the White Sox while John Schmalfeldt had Ronnie Weidner of the Yankees each had 2 hits. One of Schmalfeldt's hits was a long triple. The Orioles edged the Braves 2-0 at Silver Lake as Lynn Rittmer pitched a shutout. Each team had five hits with Jeff Wheeler of the Braves getting 2 singles and Jimmy

Lois of the Orioles getting a triple. Rittmer now has won 3 games for the Orioles.

The Pirates mauled the Cubs by a score of 12-4 at New Munster as Johnny Paoli had 5 hits in 5 attempts for the Pirates, including a home run and 2 triples. Mike Wagner also had a good day for the Pirates with 3 hits which included 2 doubles. Gary Kerkman, David Schlitz, and George Stiles each had two hits for the Cubs.

Denman Top Man on Team

Three Sequoit baseball team members were honored by teammates in post-season action last week.

Deryl Denman, junior and first-string moundman, was named most valuable; Joe Pleviak, shortstop, also a junior, was named honorary captain; and Chuck Maxwell, outfield, was named most improved.

The action marked the finale of a season that had seen a slow-starting Antioch squad drop its first five games before breaking into the win column with a 2-1 mark over Warren.

The squad picked up the next two out of three before succumbing to Grant 9-0, and then edged Wauconda before dropping the next four games. The Sequoits closed the season on a 4-2 win over Salem.

Although possessing a 4-10 to share the conference cellar, Antioch was a better squad than statistics indicate. There was nothing wrong that more beef in the hitter's box couldn't have solved. The team hit a puny .170 with Pleviak at .289 the most dependable performer. A few more points and Antioch could have salvaged several of those games lost by one run, to at least end the season with a .500 win-loss average, good enough for first division.

Coach Larry Leon, assessing next year's prospects is encouraged by the fact that only three regulars will be lost through graduation—Mike Grealis, Chuck Maxwell and Jack Thompson.

Returning starters include Deryl Denman and Bill Ozga, both juniors and starting pitchers; juniors Joe Enis, Ron Gable, Mike Horn and Joe Pleviak; and sophomores Don Blackman, Jim Brownlee and Doug Lane. All won their monograms this year.

Pitching should be a bright spot next year in a league where pitching was outstanding. Denman and Ozga, both "junkballers," held a strong earned run average of 2.35 and 2.89, respectively, despite their losing seasons. Denman won 2 while losing six and Ozga won 3 and lost 4.

Antioch scored 40 times against 75 for opponents, hit safely 63 times against 111, and made 57 errors to 26 by opponents.

Popular Boat Series To Be Resumed on TV

"School for Sailors," popular television series on good seamanship for small boat owners, will be in session again this summer beginning Wednesday, June 14, at 7:45 p.m. on WTTW—Channel 11.

Hank Nicolai, director of the Burnham Park Yacht Club and advanced pilot in the Chicago Power Squadron, will again serve as host for the six-week series.

Some topics to be covered include rules of the nautical road, equipment, classes of boats, government regulations, life-preserving equipment, definition of nautical terms, use of lines, operations in fog, and aids to navigation.

RESURFACES ALLEYS

Antioch Bowl, closed this week while alleys are being resurfaced, will open Saturday, June 10.

Ed Stillman, Milwaukee, first; Bob Ratajczyk, Mukwonago, second; Rod Ruller, Racine, third.

The Sportsman's first 10-lap heat won by Fred Dunkman, Fox Lake, with 45.61 mph average; the sportsman's second 10-lap heat was won by Roy Mavis, Crystal Lake, with a 46.10 mph average.

BEZDAL YET — Sheikh Sid Abdul scotems before his harem of lovelies in one of the features marking the opening of the Lake Keno men's softball league at Trevor. Entries include top teams in north Lake County.

Lake Keno Softball Opens; Pittmans Lead with 2 Wins

Girls, gags and music heralded the opening of the fifth season for the Lake Keno men's softball league in Trevor, Wis., and when the dust had settled from grand opening festivities players from top teams in the area settled down to some serious ball.

The heralded appearance of Sheikh Sid Abdul Hammi and his harem of lovelies set the terior of opening festivities which was carried through by the music of Felix and his Sportsmen, all members of the Kenosha Brass Band.

The opener had its serious moments, however.

Tribute was paid to the late assistant State's Attorney Richard J. Seyfarth, Antioch, co-founder of the league. Also on the program were State Representative W. J. Murphy, Antioch, and Rep. Russell Olson, Salem.

The night was designated a benefit for CARE and spectators contributed to their international organization to assist the needy.

Ken Hampshire, well-known Fox Lake businessman, MC'd the festivities.

Play got under way with an exhibition game between Joe's Tap, Lake Villa, and Emerson Buick, Fox Lake. Led by hitting of the three Schneider brothers and B. Beever and the pitching of Rookie

Reckers, the Lake Villa team won 15-8.

Formal play in the Lake Keno league opened Monday, May 29, with Pittman Motors, Antioch, taking an overtime 6-5 game from Genuldi's Lounge of Long Lake, Hiller and Larson were big guns for Pittman, with Hiller hitting an eighth-inning homer to win the game.

Joe and Matty Genuldi paced the

losers.
In the evening wind-up at 9 p.m., the Golf View Badgers overcame nine errors to down the Car-Lucy Clowns 17-13 in a 22-hit barrage.
In Keno play Wednesday, May 31, Joe's Tap took the 7:30 p.m. opener 15-8 from Lindenhurst Merchants.
Pittman Motors unleashed 32 hits in the nightcap to engulf the Golf View Badgers 29-11 for their second straight.

In play last Thursday, the Car-Lucy Clowns found conditions just right and whacked out 22 hits to bury Genuldi's Lounge 24-9.

Emerson Buick took the second game of the evening, a wild match in which they finally topped Joe's Tap, 16-15.

Standings after the first week of play:

| | Won | Lost |
|-----------------------|-----|------|
| Pittman Motors | 2 | 0 |
| Emerson Buick | 1 | 0 |
| Joe's Tap | 1 | 1 |

We'll divide your total estimated heating bill for a normal season into equal monthly payments, eliminating the problem of large fuel bills during the colder winter months. This makes good sense—particularly by easing the strain during the holidays when other expenses are apt to be heavy. At the end of the payment period, we tally up. If you have paid for more fuel than delivered, you'll receive a prompt refund. If you burned more oil than anticipated, you are billed for the balance. And, when you need fuel, metered delivery is made automatically without reminder or effort on your part. Think of an easier way to buy the cleanest heat-comfort available for your home?
